MYTH

IT'S TOO GOOD TO BE TRUE!

High return investments in Stock Options, Currency Trading, Commodities, Bitcoin, Real Estate and other Financial Instruments occur every day. No one doubts their validity because they are all well-known and accepted. SBLC transactions are private transactions that are not common public knowledge and because of this people often say... "It's too good to be true".

The fact is every Top 25 Bank Issues Standby Letter of Credits and those same banks are well known for being fiscally and financially safe and conservative, confirm both the existence and authenticity of SBLC deals with many banks providing SBLC information on their own bank websites. Years of SBLC activity in the finance industry can't be wrong!

QUESTION: Can I show the cash in one account but send the cash from another account for the program?

ANSWER: Yes. Of course, as long as ALL money must be clean and clear funds and of non-criminal origin.
