

STANDBY LETTER OF CREDIT MONETIZATION (SBLC)

INSTRUMENT & SERVICE DESCRIPTION:

Monetization, in general, is the process of converting or establishing something into legal tender. Monetizing a bank instrument such as a Standby Letter Of Credit, means raising Non-recourse loan against it.

In order to receive cash funds or raise a credit line against a bank instrument, it is important that the client is in control of the instrument and is worded specifically for the purpose of monetization
